

Zentangle Circles:

Mrs. Hyde's Math Class (Jan. 24th)

- Watch 6 minute video on zentangle circles. The video is under my youtube account – it should come up signed in. I'll have it ready. It is called, "Zentangle Circles" by Tiffany Lovering. (Here's the link:
<https://www.youtube.com/watch?v=GyDP1HmboZk&t=276s&list=PLM4H6A63veK61L5oPBV672YEIcBnXL7IG&index=67>) They may practice drawing circles using the compass as they watch the video. (draw on scratch piece of paper.)
- Explain that they are required to make one large circle and four more smaller ones (minimum) using compass, art paper and provided pen. Then, using various forms of zentangle, add character to the circles and background to bring them out. Try to fill the space with design.
